Aerie News

Hello brothers and sisters of the #925

I would like to take a moment to thank all our volunteers from year to year, and this coast guard is no exception. This year was different than any other with it being off the grounds and an extra night, but you stepped up again, so thank you for all your support. The volunteer party is our way of saying thank you and talk about this and other events during the year. August we like to catch our breath and get ready for the rest of the year, so hope to see all of you soon.
